

MATERIAL SAFETY DATA SHEET

Product Name: FYTO-Fe

1. Product and Company Identification

Supplier: AgriLibrium (Pty) Ltd

Suite #120 Private Bag X1 Melkbosstrand

7437

South Africa

Telephone No: +27 (0) 21 553 4867 Fax No: +27 (0) 862181770 Emergency Telephone Number: +27 (0) 83 656 7780

2. Composition / Information on Ingredients

Product description:

FYTO-Fe is a high concentration Iron product chelated with a high concentration of dried Fulvic Acid (Phytofulvic 100WP powder) that is water soluble.

CAS NO: Not available EINECS NO: Not available

Dangerous Ingredients: None Hazchem: Inert

3. Hazards Identification

Important hazards: Non Hazardous

4. First Aid Measures

Not expected to require first aid measures

Skin Contact:Wash with waterEye Contact:Flush with waterIngestion:Drink water

5. Fire Fighting Measures

Extinguishing Media: Not considered a fire hazard

Special Hazards: Not considered an explosion hazard

Protection of Firefighters: In the event of a fire, wear full protective clothing and an

approved self-contained breathing apparatus

Hazardous Decomposition Products: None

MSDS : FYTO Fe		
DATE: 18 January 2017	REVISION: 4	PAGE 1 OF 3

6. Accidental Release Measures

Personal Precautions: In case of spillage, wash with water. Ventilate area of spill.

Environmental Precautions: Will not harm the environment.

Small and Large Spills: Collect any spilt material and place in suitable container

7. Handling and Storage

Handling /Storage: Store under cool dry conditions

Incompatible Materials: None

8. Exposure Controls / Personal Protection

Personal Protection: Product not dangerous
Hand Protection: The product is not skin irritant

Eye Protection: The product is not an eye irritant, but safety goggles are

recommended

Skin & Body Protection: The product is not skin irritant

9. Physical and chemical properties

Physical State:Powder / crystalColour:Light BrownOdour:Slight odourpH (10% solution): 6.0 ± 1 Dry Matter:100%

10. Stability and reactivity

The product is stable for several years under cool dry storage conditions

Conditions to Avoid: Mixing with incompatible substances

Incompatible Materials: Strong oxidising agents

Hazardous Decomposition

Products: N/A

11. Toxicological Information

LD₅₀: > 5 g/kg
Local Effects: None
Skin and Eye Contact: None Found

Chronic Toxicity:

Carcinogenicity:

Mutagenicity:

Reproductive Hazards:

None Found

None Found

12. Ecological information

Fish Toxicity: According to OECD method No. 203 this product is classified

as not fish toxic.

Biodegradability: According to OECD method No. 302B, this product is

classified as inherently biodegradable.

MSDS : FYTO Fe			
DATE: 18 January 2017	REVISION: 4	PAGE 2 OF 3	

13. Disposal Considerations

Disposal Methods: Dispose as general waste

Disposal of Packaging: Empty drums and dispose of in accordance to local

legislation

UN Number: Not regulated SABS 0228 Not regulated

14. Transport Information

No transport regulations for this product

Tremcard Number: Not Applicable

15. Regulatory Information

Not classified as dangerous for supply or conveyance

16. Other Information

Other Special Considerations: None Identified

History:

Date of Issue: 18/01/2017

Validated by: Dr C.Malan on 18/01/2017
